

You Can Make a Difference!

You can help shape the future of K-12 education in Alberta to ensure today's students reach their potential.

CBE provides a world-class education to one in every six students in Alberta. We offer unmatched opportunities to ensure students are successful and have an enviable track record of student achievement. The CBE is worth celebrating, protecting and investing in.

CBE appreciates the investment that is being made in K-12 education across Alberta. While the increase in the 2023-24 budget addresses some of the pressures facing the CBE, continued and sustainable funding is required to better meet the needs of our students.

Let's work together to share information and stories so we can open minds to new possibilities.

What Can You Do?

Stay Current

The Board of Trustees will continue updating the website at cbe.ab.ca/boardadvocacy and share information with you.

If you have any questions, contact your trustee.

Start the Conversation With Fellow Parents, Family and Friends

Talk to those around you about the CBE and education funding. Feel free to share key information from the website either electronically or in hard copy.

Talk to Your Member of the Legislative Assembly (MLA)

We encourage you to share any feedback or concerns you may have directly with decision-makers. Adding a personal story will make an impact.

See contact information on page 2.

Get Ready For the Upcoming Provincial Election in May 2023

Provincial elections are a good time to talk about the opportunities and challenges facing the education system. We encourage you to:

- Read party platforms on education
- Ask questions and share your perspectives with candidates at the door
- Vote

When we work together towards a common goal, everyone benefits. Investing in today's students will support a stronger Alberta for the future.
